Dear Applicant,

Based on the information you supplied, and assuming your operation will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501 (a) of the Internal Revenue Code as an organization described in section 501 (c) (3).

Because you are a newly created organization, we are now making a final determination of your organization status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly support organization described in sections 509(a) (1) and 170(b)(1) (A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a) (1) or 509(a) (2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for the future periods.

Grantors and contributors may reply on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to reply on the advance determination until we make a final decision.

Dear Applicant:

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.
