

Klein Collins High School Tiger Band and Guard

Dear Potential Sponsor,

July 2022- May 31, 2023

We would like to introduce you to the Klein Collins High School Band and Color Guard. Klein Collins currently enrolls over 3400 students who come from over 80 local neighborhoods.

The KCHS Tiger Band and Color Guard numbers over 200 dedicated young adults. The Tiger Band and Guard is one of the top bands in the area and performs at all KC Football games, including playoff games. Each student spends many hours a week in addition to his or her normal school day to prepare and perform. Once football season is over, Concert Season begins for the band students and the Guard competes in Winter Guard contests. The KC Wind Ensemble consistently receives high scores in their competitions while the Winter Guard places consistently in the top 25 in the World Guard International competition. These experiences help build academic excellence, discipline, character, pride and self-confidence which forms the springboard for even greater achievements in adulthood.

Our Drumline is still the heartbeat of the school and won the State Championship last year for the best indoor drumline. The Band and Color Guard are spending their last 3 weeks of summer putting in hours so they are ready for the football season which begins the 2nd week of school.

None of this can be accomplished without donations. Our budget is year-round and a great many of our Fall expenses are paid for in the Spring. The District itself does not cover our entire budget. The band families pick up the slack. The fact is, some band students may not be able to afford the cost of our standard fees this year. You personally, or your company, can help us by providing funds to support these dedicated student performers. Moreover, we ensure that your donation will be acknowledged and promoted. For example, with a gift of \$500, you will receive a certificate of thanks to hang in your business, a listing in all of the Concert Programs, shout outs on social media and your company's name will be announced during halftime at the KC Football games.

Please see the attached levels of giving and the ways that we will promote your support of the KC Band and Guard. Any donation is welcomed and none are too small. All monetary donations are tax deductible. We are a 501(c)(3) tax exempt organization.

Thank you in advance for your consideration and support!

Welcome to the Klein Collins Band and Guard family!

Klein Collins Tiger Band and Guard

Sponsor Commitment Form For Sponsorship Year 2022-23

(ending May 31, 2023)

Get behind the KC Tiger Band and Guard and show them that you support their hard work! The Klein Collins Tiger Band and Guard is almost entirely self-funded. Many local corporations have matching contribution programs that we qualify for and would appreciate receiving their gifts. Our success is possible because of band families, band friends, community leaders and businesses, such as you. THANK YOU for your financial support of our program.
