

2025-2026 KCBA Sponsorship

Klein Collins currently enrolls over 3400 students who come from over 80 local neighborhoods in the Spring, Texas area. The KCHS Tiger Band and Color Guard is made up of over 200 dedicated high school students. KCB is one of the top bands in the area and performs at all Klein Collins football games (including playoff games), as well as numerous marching band contests in the fall.

Because nothing stays still in the KCB, once football season is over, the Concert Season begins and the Guard and Drumline compete in Winter/Spring contests as well. These experiences help build academic excellence, discipline, character, pride and self-confidence, which form the springboard for even greater achievements in adulthood.

Band families make a substantial contribution to our overall budget through the fair share fees every student pays. However, these activities come with significant costs such as travel expenses, instrument maintenance, uniforms, and participation fees. To ensure that every student has the opportunity to participate, regardless of their financial situation, we are seeking support from local businesses like yours.

You personally, or your company, can help these students by providing funds to support these dedicated performers. Moreover, we ensure that your donation will be acknowledged and promoted! By becoming a sponsor, not only will you be contributing to the development of our students but also gaining visibility and recognition within our community. We offer several sponsorship levels, each with its own set of benefits, including advertising opportunities at our events, mentions in our programs, and exposure on our social media platforms.

If you, or the company you work for would like more information, please feel free to reach out with any questions at kcbafundraising@kleincollinsband.org or text (936)697-1046.

Thanks for your support and I look forward to working with you,

Ashley Kitchen

KCBA Sponsorship/Fundraising Officer
