Volunteer Requirement

Families can earn credits for volunteering and completing a flag route and/or TCGC Color Guard show shifts throughout the year. Each flag route or TCGC shift is worth a \$50 credit per route/shift (up to a \$200 maximum per household) when they participate in these specific volunteer opportunities.

Flag routes and TCGC show shifts (filled by an adult volunteer) are the **ONLY** way to earn volunteer credits as these events are fundraising activities for the program that are only successful when there are enough volunteers to make them work.

Credits will be tallied at the end of the school year in May 2027, based on CutTime sign-up and verification of participation from the event committee chair and/or volunteer coordinator and applied to the membership dues for the following school year. Any credits earned by families with students who graduate or leave the program **AND** have a zero open balance due on their KCBA account will be issued a check for the earned credit in May.
